

## What Makes The Perfect Women's Caribbean Vacation

Most people think sunshine and beaches when they start preparing for their Caribbean vacation. Pack some shorts some muscle shirts and some dresses however also remember to bring a long a light jacket and at least one warmer outfit. Even the warm demeanor of the weather can turn quickly. It has been known to rain from time to time as well as get quite chilly with the wind as well however there are also such activities as limbo dining dancing and many more. There are too many things for you to do on your first trip however it never hurts to be prepared. A small amount of preparing can keep you from being uncomfortable on your Caribbean vacation.

Think about how much cash you want to carry with you ATMs are good to use. Keep your cash to a minimum to deter pickpockets and petty thieves however you will need to make sure you have enough to tip the ship staff and shopping on the mainland. This again is where ATMs will come in handy. Paying the usage fees will be less painful then losing all your cash to thieves.

Make sure that you arrange to have someone watch you house while you're on your vacation. Make sure you choose a person whom you trust. Make sure things run as usual do not cancel any usual services you use. Make sure someone knows how to get in touch with you through the cruise line and shore locations in case of emergency.

Most people are thinking about sun and beaches when they start thinking about their Caribbean Vacation. Many activities require different attire. Pack some shorts some muscle shirts and some dresses. However remember that you should bring along a light outfit. Keep in mind that you may want to go jet skiing in the magnificently warm blue waters or you may decide that you want to play a game of tennis in the outdoor or indoor tennis courts and you will need to make sure that you've packed appropriately.

Even the sunny demeanor of the weather can turn quickly. These few ideas can insure a more prepared trip. There are always the possibilities for which you will need to plan however there are also the obvious necessities that you will also want to remember to bring along as well. Its also a must to bring along essentials such as sunscreen and dark sunglasses. As well as a camera something to read and some tunes.

It's good to remember health care is at a premium. This holds especially true if your trip itinerary contains long periods at sea. It's a good idea to pack extra medication for unexpected needs. Check with your doctor ahead of time to insure that regular seasickness drug will not have unexpected reactions with your other medication. While a Caribbean vacation may seem like a rare opportunity it is not the time to push yourself beyond your physical limitations.

A few simple things can make sure your vacation is one that is truly relaxing. These simple steps can insure a relaxing time that is worry free. remember diverse weather while preparing be cognizant of the amount of cash you carry with you and have your house tended by a trusted friend or neighbor. This is your recipe to enjoy your Caribbean Vacation that you so deserve.
